

COMPETITION MAKE UP INFORMATION

- All show choir members need to have the required Mary Kay Make-Up items for competitions. **Order Forms are attached.**
- **2 DEADLINES:** The first deadline will be **November 30th**. If you'd like the order before Christmas, you must meet this deadline. The second deadline will be on **December 19th**. You will receive your items after we return from winter break.
- **All ROOKIES (boys and girls)** need to have their foundation matched on Monday, Nov. 19th OR 26th. This will occur during your scheduled practice.
- **BOY'S INFORMATION:**
 - **ALL Veteran Boys do not need to order a new lip color or foundation.** Rookies will have a new style of foundation and lip color.
 - Please make sure your son has a powder brush, a cheek brush, and an eye brush (boys have a difficult time using eye applicators). You can find an inexpensive brush set at Target for less than \$20.
 - The compact holds the new foundation (pressed powder), the cheek color, the eye shadow, and the lipstick. I would recommend this to help the boys stay organized.
- **GIRL'S INFORMATION:**
 - Please make sure your daughter has a set of brushes (powder, cheek, and eye). Using your everyday brushes is not a good idea. These colors are deep and strong.
 - ALL girls are required to line their lips with CLEAR liner prior to applying the RED lipstick. Mary Kay has discontinued the CLEAR liner. You can click on the link below to order a CLEAR liner from Target.

- I will hold make up application demonstrations in January and February (if needed) for all rookies.
- My contact information is at the bottom of the order form, if you have any questions please don't hesitate to contact me!
