

## GIRLS Make-up Order Form for Royalaire & Choralaires

**READ CAREFULLY!** The girls are required to wear a foundation, a cheek color\*, eye colors\*, mascara, eye liner, false eyelashes, loose or pressed powder, and clear lip liner, lip stick\*, and gloss\* while on stage. In addition to these items, you will need to provide your daughter with the applicators for these items (sponges for foundation, a large brush for powder, smaller brush for cheek color, and eye applicator). The items with an asterisk are required items to be ordered from Mary Kay. If you have a Mary Kay representative, please feel free to have her fill this order. The non-required items do not need to be ordered from Mary Kay but, PLEASE make sure your foundation is matched to your complexion (to Mrs. Broge's specifications!) If you are not sure about the foundation, I will color match your daughter's complexion and foundation (see back for details). The lip liner needs to be CLEAR. Mary Kay does not carry this item- you can get it at Target or Ulta. Please note: After my expenses, I will donate my profit to ZSI. *Any questions, contact information on the back.*
