

# Mary Kay Compacts

## Mini Compact:

\*If purchasing for a boy, it can hold the pressed powder below, the cheek and eye above with eye applicator.

\*If purchasing for a girl, it can hold the pressed powder below or the applicators, the cheek and 3 eye shadows above.

## Compact:

\*This could be used by a boy or a girl. In the picture above you see applicators in a space that you could fit your pressed powder.
